About Northann Corp.

Northann specializes in 3D-printed flooring solutions under its flagship brand, "Benchmark." The Company's operations span the full spectrum of additive manufacturing, from sourcing recycled ocean plastics to the final production of intricate flooring designs. Northann offers its 3D printing ecosystem as an extensive range of proprietary solutions, including Infinite Glass, DSE, TruBevel, and MattMaster, primarily through its sales network in North America and Europe. The Company aims to redefine the essence of modern flooring and wall panels by offering stylish, durable, and ecologically conscious solutions.

Forward Looking Statements

This press release contains forward-looking statements. Forward-looking statements include statements concerning plans, objectives, goals, strategies, future events or performance, and underlying assumptions and other statements that are other than statements of historical facts. When the Company uses words such as "may," "will," "intend," "should," "believe," "expect," "anticipate," "project," "estimate" or similar expressions that do not relate solely to historical matters, it is making forward-looking statements. Forward-looking statements are not guarantees of future performance and involve risks and uncertainties that may cause the actual results to differ materially from the Company's expectations discussed in the forward-looking statements. These statements are subject to uncertainties and risks including, but not limited to, other factors discussed in the "Risk Factors" section of the registration statement filed with the SEC. For these reasons, among others, investors are cautioned not to place undue reliance upon any forward-looking statements in this press release. Additional factors are discussed in the Company's filings with the SEC, which are available for review at www.sec.gov. The Company undertakes no obligation to publicly revise these forward-looking statements to reflect events or circumstances that arise after the date hereof.
